### *When God's Children Pray Prayer Gatherings*

Hello My Dear Friends,

I greet you in The Name that is far above all other names, The Name of Jesus our Lord & Savior.

The information contained within this PDF file is designed to provide you with many of the tools used to; start, announce, promote, and continue your local "When God's Children Pray" Prayer Gathering. It will be obvious where you should insert your own location, time, & local contact telephone number on the various pages. Using this PDF file you are allowed to Print any portion of this material that you desire for the purpose of beginning or holding local Prayer Gatherings in your area. We do have additional materials available that we will be happy to supply for you at no cost to you. Our single desire is to see Christians come together and Pray and all that we are seeking to build is The Kingdom of God.

Once you inform us that you have started a local Prayer Gathering we will add your name & location to our database that will allow others to join you as they contact us and express an interest in your locale. It makes no difference whether you have 1 or 1,001 in attendance. If you make yourself available, God will raise up His Remnant of our Brothers & Sisters that have a genuine desire to seek His Face and His Will.

We will also inform you from time to time regarding what God is doing in other Prayer Gatherings which will be a great Blessing to you and your group locally. We also will ask for your Praise Reports of Answered Prayer which we will share with others to encourage them. No personal identifying information is ever shared; only State & generally what the need was and what God did in response to the need.

In starting a local Prayer Gathering you are becoming a part of something much bigger than any of us as individuals. It is a part of a group of Believers from all across America and around the world that are seeing for themselves what The Father really does “When God’s Children Pray”.

Many people find that the Prayer Gatherings are attended by more people if not held in a local church. Often times if you hold the Gatherings in any particular local church they are largely only attended by those that subscribe to the teachings of that group or denomination. Since these Prayer Gatherings are intended to reach across all religious, social, race, & ethnic lines, holding them in any location that would tend to exclude anyone is not desirable. Remember the single goal here is Prayer, not the promotion of any particular doctrine or creed. Most any Civic Organization, Senior Citizens Center, Community Action Group, Local Community Center, and many Banks, Realtors, and Business Owners will allow the use of a Meeting Room, or Conference Room for a couple of hours once a week at No Charge. Even some Hotel Chains will donate space if available. Please understand that we are not saying that you can not hold your local Gatherings in a local church. If the local church is what you believe that God is saying to you, we are 100% and in all ways with you. But make no mistake about it, to have your Gathering in any religious setting will close the door to many that may otherwise attend if held in a non-sectarian, neutral location. Many people even use private homes to hold Gatherings.

On all portions of this PDF file where the GCC letterhead or contact info was included we believe that is best in those specific instances to lend credibility and accountability. Also should you encounter situations where some local business or organization wants to donate facility, promotional consideration, or other support to your Gathering please contact us and we may be able to issue a Tax Receipt to them for the donation depending upon the specifics of the donation and how it is to be used.

We always stand ready to assist you in any way that we can as you start and meet with your local group. If you need any additional help or have any specific ideas to share, please let us know.

Dear Friend,

“When God’s Children Pray” amazing things happen. Mountains are moved, lives are saved, and hearts are changed eternally. Prayer is the work.

We must not sit idly by and allow the master of all evil to continue to win victory after victory here. Remember that as believers in Christ we are no longer mere men and women, but rather born again, Spirit filled, followers of The King of all Kings and the Lord of all Lords...Jesus our Savior! That means that we may look to Almighty God with all confidence to accomplish those things which we cannot for the sake of His Kingdom. Consistent, powerful, and prevailing Prayer, therefore, is absolutely vital to our success.

**WE NEED YOU!** The Christian community working together and being unified in Prayer is the *Ultimate Weapon* against Satan's plot.

There are tremendous needs all around you continuously. You and I are not able to touch or change most of these needs in the natural realm. But in The Spirit when we come into agreement together with each other and with God Himself, Wonderful, Marvelous things occur that only God can do.

Would you please allow God to use you to do this one vitally important thing? Allow Him to use you to start or to join an existing “When God’s Children Pray” Prayer Gathering locally in your community. Maybe you can’t go to the Mission Fields in another Nation, possibly you can not preach or teach The Gospel to the Millions, but you can see Great Things accomplished in your own community if you will allow The Lord to use you to invite others to simply come & Pray. If you are willing, we will help you to get started right where you live. If not you, then who? If not now, then when”

My Dearest Brothers & Sisters,

Have you ever wondered why things are going in the direction that they are moving in our nation and the world? I believe the following defines it;

It was a master-stroke of the devil to get the Church and the Ministry to lay aside the mighty weapon of Prayer. He does not mind at all if we form more political action groups, or if the Church expands her organizations and her deftly contrived machinery for the conquest of the world for Christ, if we will only give up Praying. He laughs softly, as he looks at the Ministry and the Church of today and says under his breath: "you can have your activists groups, your programs, your Sunday schools, your social organizations, your grand choirs, and even your revival efforts, as long as you do not bring the power of Almighty God into them by earnest, persistent, and believing Prayer."

There is an answer to this dilemma. God prescribed the answer in His Own Word . . . it is PRAYER! Taking the battle to the enemy in a manner that works! We all need to Pray as if it involved life & death, because it does. There is nothing that any of us can do in the natural to turn this around, but in The Spirit we have authority as Believers given to us by Jesus, and the Power of God, which never fails.

My Christian brothers and sisters . . . please join us, as we take needs to our Father in Jesus' Name and expect Him to hear our Prayer and to answer. Prayer is precisely where the real work is accomplished.

A group of Christians from all denominations and all races are meeting in "When God's Children Pray" Gatherings across America, simply to Pray to our Father, who is God. Please join us. Come as you are, and be free to stay 5 minutes or 2 hours. You are Welcome, you are needed, & you are Wanted. Please come be with us as we look to our Father and our God to do what only He can.

Would you like to consider Hosting or Sponsoring a "When God's Children Pray" Gathering in your area? If not you . . . then Who? If not now . . . then When? We have all of the details assembled and ready for you in order to equip you to begin to be a part of this Great Move Of God in your area. You will become a part of this growing Army of Christians nationwide that are coming together to Pray. Please contact us for additional information and details.

### *When God's Children Pray Public Service Announcements*

The effective manner to use the Public Service Announcements (PSA's) with Radio, Television, Newspaper, etc;

- Be certain to send PSA's out to all Media Outlets in your area including Rock & Roll Stations, Country, National Public Radio, as well as all Christian Radio Stations. Many of the secular stations are more helpful than a portion of the Christian outlets. Also provide the PSA's to all Television Stations including all Network Affiliates such your local ABC, NBC, CBS, Fox, WB, PAX, CW, as well as all Cable Channels plus any Christian Stations that service your locale. It is important that you not confine your PSA's to only Christian Media Outlets. You need the most publicity possible to reach the broadest possible audience with the Invitation to your local Prayer Gathering. The same is true with your Newspaper PSA's. Do not hesitate to send your PSA's now matter how large the organization or how small it may be.
- These PSA's as you will notice are on GCC letterhead. That is important as it adds credibility and broader scope to your local Gatherings by demonstrating that what you are having locally is part of a much larger event. If any News Outlet senses that they may "miss the boat" so to speak by not publishing your Gathering, that alone will serve to motivate many to cooperate.
- Once you identify all of your local News Outlet contact emails, fax numbers, and telephone numbers, your time commitment will be minimal in getting your PSA's out. The 1<sup>st</sup> time that you gather this information in your locale, it may be a burden time-wise. After that initial fact finding mission is completed your time requirement will be very small on resending the PSA's in future transmissions.
- Be certain to identify how often & how far in advance the various Media Outlets will require you to send future PSA's. Some require weekly, twice per month, monthly, etc. You may need to slightly change your PSA wording from time to time for a fresh look to the various Media Outlets. No large substance changes required, just a few fresh phrases occasionally.

## The Great Privilege of Prayer

*<sup>6</sup>Never worry about anything. But in every situation let God know what you need in prayers and requests while giving thanks. <sup>7</sup>Then God's peace, which goes beyond anything we can imagine, will guard your thoughts and emotions through Christ Jesus. Philippians 4:6-7.*

Prayer is our greatest Christian privilege and also our greatest Christian failure to date. But our Lord is changing that and moving upon people's hearts like never before to begin Praying and fellowshiping with The Father. We do not Pray to impress God, but rather to invite Him and to fellowship with Him, so that He can continue to develop and grow us in His Marvelous Grace. Prayer and fellowship with The Father is a vivid reminder that we depend upon Him for everything. Our Father is concerned with anything that concerns you. There is nothing in this life that is outside the scope of Prayer. Pray about everything.

We Pray in The Name of Jesus because; <sup>12</sup>*"I can guarantee this truth: Those who believe in me will do the things that I am doing. They will do even greater things because I am going to the Father. <sup>13</sup>I will do anything you ask [the Father] in my name so that the Father will be given glory because of the Son. <sup>14</sup>If you ask me to do something, I will do it. John 14:12-14.* We know that Prayer does not change the Mind of God and somehow overcome His reluctance. Prayer is simply identifying God's Own Will and agreeing with Him. . <sup>15</sup>*I don't call you servants anymore, because a servant doesn't know what his master is doing. But I've called you friends because I've made known to you everything that I've heard from my Father. <sup>16</sup>You didn't choose me, but I chose you. I have appointed you to go, to produce fruit that will last, and to ask the Father in my name to give you whatever you ask for. John 15:15-16.* The Prayer that gets to Heaven is the one that started in Heaven to begin with. The Perfect Will of God is what you want. If you abide in Jesus, you will find that The Lord will guide your heart and direct your Prayer and you will be Praying The Will of God. What a privilege to take everything to God in Prayer.

This is what happens, "When God's Children Pray". Keep Looking To Jesus!

## *The Results of Prayer*

“When God’s Children Pray” amazing things happen. Mountains are moved, lives are saved, and hearts are changed eternally. Prayer is the work.

Please allow me to share with you some of the real life results that we are seeing over and over again that occur “When God’s Children Pray”;

- A Father of 5 has no job and has not been able to work for many, many years, he gets a job and starts at over \$1,000 per week,
- A Mother has no car and no way to acquire one in sight, she is provided a way to buy a very nice car in a manner that she can afford,
- A Father is estranged from both his son and daughter for many years, with no possible way to contact them it seems that all is lost, then during a Prayer Gathering the daughter calls her daddy, plans are made to contact the son, the past is forgiven and the reunion begins.
- A young Mother with a 2 month old infant is on the street with no where to go. She has burned all of her bridges and has no hope. A loving home is provided for her and her child with the help that she needs to get her life on track and get a home for herself and her child.
- A Father is completely cut off from his adult son after a bitter divorce. After almost 5 years of total separation and refusal of any contact by his son. After coming together in the Prayer of Agreement, the son comes home and is completely reunited with the Father that loves him.
- People with severe sickness and disease have been healed and strengthened.
- Marriages have been saved from separation and divorce.
- Families have been strengthened.

Please consider starting a “When God’s Children Pray” Prayer Gathering now. Just Prayer, no other agenda, just to Pray to our Father who is The Living God. You can meet at a Hotel Meeting Room, a Conference Room, or other facility available in your area. Just invite people to come and Pray for 5 minutes or Pray for 2 hours.
